Green Family Law, P.A.

How often will I get to see my child? Who gets to keep the family home? Will my spouse have to pay alimony? These seemingly simple questions are accompanied by complicated concerns and circumstances. With over 24 years of exclusive Marital and Family Law experience, Caryn M. Green, managing principal of Green Family Law, P.A., together with her team, facilitate this difficult process by confronting individual concerns with tact, attentiveness, and pragmatism. Caryn's personalized approach to fit the individual needs of each client provides a sense of peace and renewal during what would otherwise be a time of unrest and uncertainty.

Caryn promotes creative dispute resolution methods designed to avoid expensive litigation, whenever possible, to preserve relationships and minimize costs and fees, as she believes compromise, respect and support are essential for a healthy, happy family coming out of the divorce process. Although, when appropriate, Caryn is an aggressive, astute, and vigorous trial lawyer.
